## Hearing protection: earplugs

<b>Standard and certification</b>	CE		
<b>Applications</b>	Jobs with the need for in-situ access to earplugs without cord so that workers can replace earplugs according to their need.		
<b>Conservation Storage - Expiry</b>	Store in a cool, dry place in their case, avoiding humidity, dirt and dust.		
<b>Instructions Use</b>	The dispenser is meant for collective use, not so for the earplugs, which are a personal protection device and must not be worn by several users. Earplugs must be worn continually in noisy areas.
