EYE WEAR ACCESSORIES

DESCRIPTION AND COMPOSITION:

Protective spectacle accessories.

Protective case for storing spectacles while not in use to protect them from impacts or scratches.

Cleaning Cloth: It helps clean the spectacles along with a cleaning spray or other kind of cleaning product. Do not use a dry cleaning cloth to clean the spectacles if there is any dirt left behind (dust, sand, etc...) since it could scratch the lenses. It can also be used to dry the lenses if they have been washed with soap and water.
