902.298	Polycarbonate spectacles. Anti-abrasion treatment	M 1 B CE	M EN166 B CE

Neutral eye protection

Standard and certification	EN 166			
Applications	This model provides high impact protection. Sectors: construction, painting, plastics, agriculture and farming, etc.			
Conservation Storage - Expiry	In order to maintain the spectacles in good condition, keep them in a clean, dry place in their appropriate case.			
Directions Use	Cleaning: use warm water and a neutral soap. Do not use abrasives or solvents. Rinse in water and dry with a soft cloth. Medop anti-fogging cleaning spray is also recommended. We advise regular inspection of the protectors, and their replacement if they have deteriorated in any way. Please ensure that the risk present in the workplace corresponds with the field of use of these protectors.			
Presentation	12 units per box. 100 units per carton.
