

Hiderma

Body protection: skin protection

Description and composition:

2 in 1 shower gel for body and hair hygiene. Ensures effective but delicate cleaning, respecting the skin's pH without damaging it and making hair easier to comb after use.

Highly moisturising. Neutral liquid soap: Its neutral pH (6.5 +/- 0.3) means it does not cause irritations and maintains the physiological balance that is activated and regenerated with every wash.

High content in lanolins and coconut amides, which ensure a perfect balance of liquids in the skin. Dermatologically tested.
