## Neutral eye protection

<b>Standard and certification</b>	EN 166 / EN 172						
<b>Applications</b>	Protects from impacts at high velocity and low energy. Protection from solar radiation (solar version). Sectors: agricultural activities, forestry, automotive industry, textiles, plastics, sport and both indoor and outdoor activities, etc.						
<b>Conservation Storage - Expiry</b>	In order to maintain the spectacles in good condition, keep them in a clean, dry place in their appropriate case.						
<b>Directions Use</b>	Cleaning: use warm water and a neutral soap. Do not use abrasives or solvents. Rinse in water and dry with a soft cloth. Medop anti-fogging cleaning spray is also recommended. We advise regular inspection of the protectors, and their replacement if they have deteriorated in any way. Please ensure that the risk present in the workplace corresponds with the field of use of these protectors.						
<b>Presentation</b>	12 units per box. 25 boxes per carton.
