910995	Polarized polycarbonate spectacles. Anti-abrasion treatment	5-3.1 M 1 F CE	

Neutral eye protection

Standard and certification	EN 166 / EN 170 / EN 172									
Applications	Clear: recommended for work in hot environments or that combine different temperatures and against UV radiation. Grey solar: against solar radiation. Recommended for outdoor work. Polarized: for outdoors with high reflection incidence. Filters reflected light, eliminating glare from the reflective surface. Recommended for nautical activities, fishing, sports, outdoor work, etc. Photochromatic: for use in changing light conditions (outdoor and indoor).									
Conservation Storage - Expiry	In order to maintain the spectacles in good condition, keep them in a clean, dry place in their appropriate case.									
Directions Use	Cleaning: use warm water and a neutral soap. Do not use abrasives or solvents. Rinse in water and dry with a soft cloth. Medop anti-fogging cleaning spray is also recommended. We advise regular inspection of the protectors, and their replacement if they have deteriorated in any way. Please ensure that the risk present in the workplace corresponds with the field of use of these protectors.									
Presentation	12 units per box. 10 boxes per carton.
