

Lumbar back support belt Sport I

Body protection: ergonomic line

Description and composition:

Lumbar back support in polyester providing heat to the contact area, with four stays to exert adequate resistance.

Back support made of PP (polypropylene) with Velcro straps (in nylon) for better protection of the lumbar area.

Provides additional support to the dorsolumbar region, allowing freedom of movement and maximum comfort. Reduces the possibility of back injuries in certain tasks, strains and efforts, etc., maintaining maximum activity.

Adjustable with Velcro. Dynamic, flexible fastening which does not prevent movement. Includes a stay.

Size: One size **Measurements:** 114.30 cm x 25.40 cm

CE

Velcro fastening.

Washable and breathable

1 stay
