## Eye wear accessories

<b>Standard and certification</b>	Health and hygiene product. European regulation no. 1907/2006 REACH (applicable to the liquid that permeates the wipes)						
<b>Applications</b>	Essential for caring for spectacles. Especially recommended for daily lens cleaning.  Can be used to clean both safety and street wear spectacles.						
<b>Conservation Storage - Expiry</b>	Check the expiration date before use. Store in a cool, dry place out of the reach of children. Do not open the packets if they are not to be used immediately. Do not use wipes that have been exposed to air or from an open packet. Keep away from heat sources and flames (contains hydroalcoholic solution).						
<b>Instructions Use</b>	Remove the wipe from the packet and rub both sides of the lens with it. Fast drying thanks to the alcohol base. Do not apply to eyes. Do not apply to contact lenses. Do not inhale. If the product enters in contact with the eyes, rinse immediately in running water. <b>PRECAUTIONS:</b> Harmful if swallowed. Keep out of the reach of children. Adults must supervise the use of the wipes.  Avoid direct contact with eyes or open wounds. Product formulated for cleaning surfaces: lenses, spectacles, etc. Do not apply directly to the eyes. Do not use as a personal hygiene product. Do not use if dry and do not reuse. Do not dispose of in the toilet. <b>In case of accidental ingestion, call the Toxicological Information Medical Service on: Tel.: (+34) 91 562 04 20</b>						
<b>Presentation</b>	Sales units: box of 100 units (100 packets). 20 boxes per carton
